

Dear Friends,

These are photos from the Kwan Yin ceremony held on Sunday Feb. 18th at the Lytton Chinese History Museum.

Despite the weather we had a good turnout. In China three Kwan Yin ceremonies are held each year - late winter, mid summer and early fall.

The ceremonies remind everyone of the power and influence of compassion. The ceremony was dedicated to peace and harmony in the world, our country and local community.

The photos were taken by various people who were present. The next Kwan Yin ceremony will take place on June 24th.
